

BLAST&CAST

MENS • MINISTRIES

North Texas Chapter

*Thank you to our Grand Prize Sponsor – Mariner Sails! Color of kayak not yet determined.

Our number one focus is reaching men who are normally found in a fishing boat or hunting blind on Sunday mornings. To accomplish this goal, we create opportunities for Christian outdoorsmen to utilize their God-given spiritual gifts and passion for the outdoors to effectively share the truth of Jesus with their peers. Affordable weekend events are a big part of Blast & Cast, but we also maintain a presence in local communities through one-day events, tournament outreach, church partnerships, and more.

In order to remain adaptable and sensitive to the needs of local communities, each of our chapters is led by a team of local volunteers. Our centralized administrative staff then serves to support the grassroots efforts of volunteers across the nation while helping equip them to share the truth of Jesus in a down-to-earth, relatable manner.
